A sparky new book series by comedian and author ROSIE JONES!

Hello! My name is Edie Eckhart and I'm eleven years old. I'm a little bit different. I have a disability called cerebral palsy, so I talk slowly and fall over a lot. It's never really bothered me because I've never known anything else.

Edie Eckhart is Excited with a capital E to start secondary school with her best friend Oscar – the fish to her chips, the bananas to her custard. But when she and Oscar are put into different tutor groups on their first day, Edie is devastated. Who will play secret hangman with her in class? Who will she eat sausage rolls with?

Little does she know that stardom is calling her – in the form of a very unusual part in the school play – and that following her dreams will result in a year that's Amazing with a capital A.
