## Holiday Workshops

## General Course Information

Children do not need to be existing Stagecoach students. Comfortable but appropriate clothing is a must - joggers, jazz pants, t-shirts and jazz shoes are ideal. Trainers are acceptable. Drinks and biscuits are provided for the juniors.

### Senior Courses 5-16 Years

Date	Venue	Time
27th to the 31st of July 2009	Escola Padre Damian C/Vallvidrera 10 08017 Barcelona  Show at the Teatre Poliorama	9:00am to 05:00pm Monday to Thursday at the school  Friday 9:00am to 02:30pm at the Teatre Poliorama (performance at 01:30pm)

## Put on a Show!

FROM the moment you arrive at the workshop, you'll be caught up in the excitement of fun, hard work and creativity whilst making new friends.

You will experience the process of casting, rehearsing and performing. Working with a professional team of directors - you will develop confidence and skills in several memorable and inspiring days.

Founded in 1988 with three schools in Surrey, Stagecoach now has more than 600 schools in the UK and Ireland and others in the United States, Canada, Australia and Europe and is the world's largest part-time theatre school. In all, Stagecoach educates over thirty-five thousand students, mostly at weekends, teaching children from 4 to 16 the disciplines of singing, dancing and acting. Stagecoach is dedicated to providing quality education in the performing arts, which is complimentary to, yet independent of, normal academic studies.

## What should I expect?

Expect to be stretched! The programme is fun but demanding. You will be challenged to learn lines, songs and dance routines or many other new skills in just a few days. This takes discipline and effort.

## What will I get out of it?

Through taking on and mastering an acting role, singing with style or other new skills you will find new and invaluable confidence. You will be an important part of the team. You will discover how versatile you can be and - through your performance - you will be able to show how far you have come!

## What do I need?

You'll need to be able to move freely and to be comfortable, so jogging bottoms, shorts or leggings with a T-shirt and trainers or jazz shoes would be fine.

For some workshops you may need to bring a packed lunch for breaktime and plenty to drink.

## How do I apply?

Call us on 93 39 38 119 or email us at [barcelona@stagecoach.es](mailto:barcelona@stagecoach.es). You can pay by credit card or bank transfer. Numbers are strictly limited and applications are accepted on a first come first served basis.
